

Remodel Health

Authorization to Appoint Broker of Record

You've chosen to keep your current health insurance plan with no changes.

To complete your enrollment, we need to become your Broker of Record (BOR) so we can manage your plan and provide service going forward.

By signing below, you confirm and agree that:

1. You are keeping your current plan — No changes to benefits or carrier.
2. You are appointing Remodel Health as your Broker of Record — We will act as your official broker for this plan.
3. You give consent to use your signature — You authorize the submission of the Broker of Record change form on which your signature may be used solely to submit the BOR request to your insurance carrier.
4. You understand the change — This replaces your previous broker or administrator and gives Remodel Health access to your policy and payment information for service and administration.
